I agree to abide by such regulations as  
Upton Warren Outdoor Education Centre advise.

Please note that digital photography may take place during your  
child's visit. These photographs may be used for publicity material,  
but no personal details will be made available. Please contact the  
Centre if you object to photos being taken of your child.

If weather conditions are unsuitable for windsurfing, an alternative  
activity led by centre instructors will be offered.  
Membership of the club assumes that you give consent for your  
child to take part in any other activity available at the centre.

I declare that my child is water confident, and to the best of my  
knowledge does not have any medical condition which could affect  
participation in the course, or require specific assistance. (Medical  
conditions need not necessarily prevent participation, but the instructor  
MUST be made aware of any potential problem.)
